

Trevor Eastwood's **Private Car Collection** was made available to the Alumni for exclusive viewing in November 2016. It was a fun afternoon to enjoy a beer or champagne whilst wandering among the vintage cars and listening to Trevor regale us with his stories about the cars.

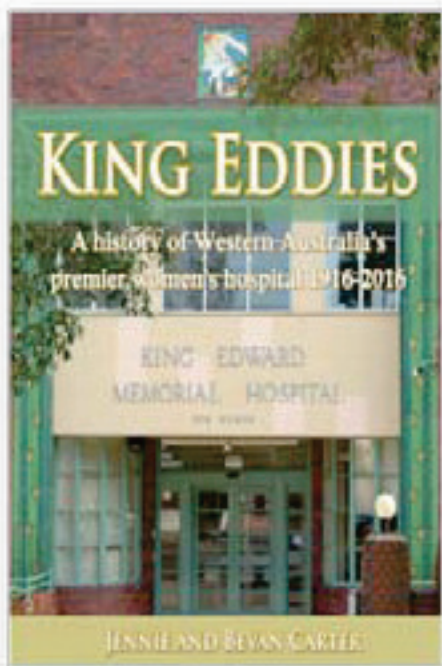

King Eddies Book

Various stalls have been held in the front foyer of KEMH selling our Centenary merchandise, the Centenary Book, Organic Herb Tins, as well as Raffles for Christmas & Mothers' Day.

An amazing amount of work by a small committee has achieved a tremendous result in the production of **"King Eddies" – a history of Western Australia's premier women's hospital 1916-2016.**

The Fundraising Committee thanks everyone involved, especially the other hard working Committee members!

Looking for more participation in your Alumni? We are looking for members who will:

- Take photos at our social events.
- Contribute to and/or edit the newsletter.
- Participate in the stalls held regularly in the KEMH foyer.

An Email to Brigitte offering your talents would be appreciated.
